

# 2018 Public Works Construction Project Summary

## 2018 Mill & Overlay Projects (J7327, J7328, J7329)

Individual project start dates are yet to be determined; however, all projects will be completed in 2018

Existing deteriorated bituminous pavement surface in the project areas will be removed and replaced. The new pavement markings will provide for the inclusion of bike lanes on the street.

### Project Locations

J7327: 14<sup>th</sup> Street NE from Broadway Avenue to 14<sup>th</sup> Avenue NE

J7328: 19<sup>th</sup> Street NW from Scott Road NW to West Frontage Highway 52 Road NW

J7329: 6<sup>th</sup> Street SW from 4<sup>th</sup> Avenue SW to East Frontage Highway 52 Road

### Project Cost and Funding

These mill and overlay projects are funded by Municipal State Aid Funds. The total cost of these projects is \$1,200,000 (J7327 = \$300,000; J7328 = \$600,000; J7329 = \$300,000)

### Construction Impacts

One lane of vehicular traffic will be maintained in each direction at all times during construction.
